- 14 John Lemry
- 15 Roy Dressler
- 23 Norm McQueen
- 24 David Bolk
- 29 Carl Riddle

Greetings from President Paul Stanley

This year the Rotary International slogan is "Rotary Shares". This past year even though that wasn't our official slogan our Terre Haute Rotary members did share. You shared your skills, your talent, your money and most important of all your valuable time.

My sincere congratulations go out to all of you who made it happen. Tom Dever led the way during a tremendously successful year. He spearheaded our Rotary Foundation drive with Tom Newlin getting it done. The Club averaged giving over \$100 per member.

Our club received the Presidential Citation award. Only 19 of 34 clubs in our District 6580 received one. Again, this is a testament to the quality of our membership and leadership.

Congratulations to our recent Awards Day winners. Two James E. Rentschler \$1000 scholarships went to Katherine Nichols and Mary Conley respectively. Three Paul Harris Fellows were recognized, as were many others throughout the year. Gary Schomer was awarded the Paul Harris Fellow plus two. The Paul Harris Fellow Community Award was presented to Dee Walters and the Four Avenues of Service Award went to the very deserving Joyce Keenan. Joyce was our first woman member of our Terre Haute Rotary Club in 1987.

Many more of our members contributed greatly to our success and to each and every one of you I want to extend my sincere thanks for all that you've done and I know all that you will do this coming year.

Many of you have volunteered

to commit your time and efforts to various leadership roles. The reception and willingness to help has been tremendous. I truly believe we have the best civic organization in the Wabash Valley. The quality of our members is second to none and I am very proud to say that you are my fellow Rotarian.

Much is happening and is in the works for 2007-08 and it's difficult to know where to begin. For a beginning Dan DeBard had participated in the GSE Japan Feedback/Evaluation session. Santhana Naidu and Diana Cooper-Bolinsky will be involved in educational training sessions for Rotary Youth Exchange and shortly after that Bryan Sponser and others will be going to Tennessee for membership development. And the activities go on and on. Please get involved and you'll receive much fulfillment—you get out what you put in. Do feel free to call upon any one of our leadership team with your thoughts, hopes and desires and your willingness to get involved.

Jerry Jakubowski, a relatively new member came to me a few weeks ago and asked whether Rotary would like to be involved in a Rose-Hulman Rotary Day on August 7th during the time the Indianapolis Colts will be in training camp. I'm excited to say that plans are underway to make it a reality.

Also, in early August our Club is sponsoring a Youth Exchange student from India. She will attend Terre Haute North High School. To my knowledge this is the first time we've sponsored such a program. Please help me in helping her to feel at home in Indiana.

Judy Witt, our new District 6580 Governor, will visit our club August 21st., so mark your calendars and be sure to come.

Many of you have asked me about the possibility of looking into a new noon luncheon-meeting place and I have made the preliminary contacts over the past few months. We as a Club will investigate as to whether moving downtown make sense. Holiday Inn has been good to us and many of you recognize this and would like to stay. The new facility downtown will not open until November and just in case I have Tuesday noons reserved for us if our membership so desires such a move. You will hear more about that in the coming weeks and months.

Major goals of mine our to increase our membership, to become more diverse and to achieve more participation. Last year, as you know, we started a Rotaract Club at I.S.U. This year, with Laura Hemming's leadership, we're starting a Rotaract Club at Rose-Hulman. We have sponsored for years the Terre Haute North Interact Club. It's my goal to have a closer relationship with these youth groups and try to coordinate and share our projects by working closer together rather than each on our own.

There will be many new initiatives as we move forward during this coming Rotary year. With your help we can continue to be a great organization. I am excited about the difference we can make in others live by practicing our Rotary slogan "Rotary Shares".

Paul Stanley, 236-6164
President 2007-08

July 2nd Board Meeting

President Paul commended Tom and other leaders on a successful year.

Kay Newton, Sales and Marketing Director for our local Sam's Club and past YWCA president was approved for membership.

Mike Lindemood, Vice-President of Development for Rose Hulman was approved for membership.

The treasurer's report was presented by Linda Stanley. A key need for 2007 will be Happy Jar contributions. There will be approximately \$75 a month in miscellaneous expenses incurred by our Rotary Youth Exchange student and the happy jar would be one potential source of funding.

Year to date attendance numbers were discussed. Various strategies were also

reviewed for increasing attendance and reminding members that service projects, committee members, and visits to neighboring clubs are counted as make-ups. Reminder: On-Line make-ups are limited to 6 (six) per calendar year.

The dictionary project is the next vocational service project.

2007-2008 Officers, Board Members, and Chairs of Committees

OFFICERS

President	Paul Stanley
President-Elect	Kim Ingalsbe
Vice President	Bart Colwell
Secretary	Stephanie Welsh
